

House Resolution No.

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State residents who are actively engaged in the political process as exemplary citizens in local communities and neighborhoods; and

Whereas, Ray Stone has attained considerable distinction for his work as an aerospace engineer with Boeing Company; and

Whereas, Ray Stone enhanced his already impressive record of accomplishments when he became Vice President of Citizens for Responsible Community; and

Whereas, Ray Stone also worked diligently with the petition drive for a referendum on a Jones Company subdivision which had been approved earlier in 2004 by Saint Charles officials to replace the privately-owned Saint Charles Golf Course; and

Whereas, Ray Stone promotes area development that represents ample roads, sewers, schools, parkland, and other infrastructure to support the homes being built:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the civic activism illustrated by Ray Stone and to convey to him this legislative body's most heartfelt best wishes for continued personal and professional success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Ray Stone.
